With a day of coordinator, you can focus on being present during the day and leave the details to our team. Hiring a day of coordinator relieves you from being the point of contact on your big day, so you can enjoy the moment with friends, family, and your new spouse! A day of coordinator is perfect for couples that have done most of the planning, but just need a little assistance to finalize all the details.

When hiring a day of coordinator from Hyland Hills, you have one on one email and phone contact with your coordinator, up to 3, one-hour in-person or zoom detail meetings in the 6 weeks prior to your event and your coordinator will be on-site for 10 hours during your event. Please note, our day of coordinator is not able to work at offsite ceremonies.

A day of coordinator's role can include:

- Pre-Wedding Meetings: Finalize timelines, review vendor lists, create ceremony order, organize décor set up list and create layout.
- Wedding Rehearsal: Free wedding rehearsal at Hyland Hills (subject to availability) and assist in leading the party through the rehearsal.
- Set Up: Décor set up including linens, table settings, centerpieces, candles, wedding signs, photographs, programs, menu cards, favors, and any other decorative items provided by the couple.
- Guidance during ceremony & reception: Coordinating with all vendors, cuing entertainment for ceremony, coordinating bridal party down the aisle, keeping reception flow and timing on track.
- End of Evening: Distribute any final payments on your behalf, coordinate the packing of all wedding materials and décor; if you elect to have the day of coordinator stay until the end of your event.

We had our redo wedding reception at Hyland Hills and got lots of compliments on the venue! The chalet fit our needs perfectly and I would recommend it to anyone! Suzanne, the venue's coordinator, was very responsive, and the bar staff on hand the day of were helpful when we had questions or needs. I loved that this venue is on the lower side price-wise, can accommodate 300+ guests, and offers the flexibility to coordinate with any of the 20+ caterers on their approved list. On the big day, we could get in anytime after 10 am to decorate, but the ceiling and windows were so pretty that the space required minimal decoration! Guests had a great time on the outdoor patio as well. All in all a great experience.
